A. CONCISE STATEMENT OF CHANGE

1. Provide an executive summary that succinctly explains the proposed change(s) (one paragraph or less).

This reorganization relocates the FOIA staff from the FOIA, Libraries & Accessibility Division of the Office of Enterprise Information Programs within the Office of Environmental Information to the Office of General Counsel. Within OGC, these staff will be part of the FOIA Operations and Implementation Team and will join with the FOIA Expert Assistance Team (FEAT) Office to create a new National FOIA Office.

2. Describe the title(s) of the unit(s) affected.

FOIA, Libraries & Accessibility Division
FOIA Expert Assistance Team (FEAT) Office

3. Explain the change purpose (e.g., whether the change is due to a new legislative authority, new program authority or shifts in program emphasis).

The purpose of this change is to co-locate the FOIA program staff and the FOIA Expert Assistance Team staff under a single office. This is expected to create efficiencies and improve the effectiveness of the agency's FOIA Program.

4. Discuss the progress to date based on communications with level approvers and discussions with stakeholders, unions, SSCs, etc.

EPA's Chief of Staff has discussed this proposal with the Acting Deputy Administrator, the Acting Assistant Administrator for OEI, the Acting General Counsel, and the Acting Assistant Administrator for OARM. In addition, the Chief of Staff and Acting Assistant Administrator for OARM have consulted with OCFO and OCIR regarding potential Congressional interest and responsibilities, and held an informal discussion with key Congressional staff on September 29, 2017. The Acting General Counsel had consulted with the Director of the FEAT. A briefing for the relevant unions and outreach to impacted staff will be done at the earliest possible time.

5. Describe the benefits of this change(s) to the agency (e.g., increased accountability, enhanced communication and coordination, improved efficiency).

This reorganization will significantly increase the effectiveness and visibility of the National FOIA Program, by bringing together the team setting FOIA policies and procedures for the agency with the legal experts in FOIA processing at EPA. The reorganization will also increase accountability by placing all FOIA-related program and legal responsibilities under the Office of General
